ADDITIONAL STATEMENTS

TRIBUTE TO DARRELL MUELLER

• Mr. JOHNSON of South Dakota. Madam President, today I offer my heartfelt thanks to an educator who has been committed to the wellbeing of the children of my State.

At the close of this school year, Darrell Mueller will retire as superintendent of the Andes Central School District, concluding a career in education of over 30 years. After earning his bachelor's degree in elementary school education in 1979, Darrell began teaching elementary school in Nebraska in 1980. In 1982 he moved to Yankton, SD where he served as a teacher and principal at Sacred Heart School. While serving as a principal and teacher, he completed a master's degree in elementary administration at the University of South Dakota in 1984. From 1988 to 2006, Darrell was the principal of Platte Elementary School. He was chosen as a 2004 Milken Educator for his dedication to teaching and his leadership in the field. In 2006, Darrell accepted the position of superintendent of the Andes Central School District.

As superintendent of the Andes Central School District, Darrell has been a strong advocate for the integration of technology in the classroom. The use of technology has enriched and broadened the educational opportunities for students within the school district. Under Darrell's leadership, the district now enjoys a child to laptop ratio of 2 to 1 in grades kindergarten through 6 and 1 to 1 in grades 7 to 12. Darrell has also sought to expand access to quality early childhood education during his tenure as superintendent. Through working with the local Head Start, Andes Central was able to combine services to create a more comprehensive preschool program for its students.

While serving as superintendent of Andes Central, Darrell implemented a system to monitor student progress using curriculum-based measurement. When the South Dakota Department of Education began developing a new statewide accountability model for measuring student achievement, it sought Darrell's expertise. He has made valuable contributions to this effort as a member of the Next Generation Accountability Council.

Darrell is currently serving as the president of the Impacted Schools of

South Dakota. As a leader within our State's Impact Aid community, Darrell and I have met on many occasions, and I have appreciated his insights related to public policy and funding for the Impact Aid program.

Darrell's passion for his community extends far beyond the classroom. He serves as the vice president of the Charles Mix County Lake Restoration Organization, a nonprofit group formed to restore the condition of Lake Andes. Through the work of concerned local citizens like Darrell, they hope to improve and preserve the beauty of Lake Andes for many generations to come. The local economy, the area's environment and wildlife, and the recreational opportunities for the surrounding community have been improved by these efforts.

Darrell is regularly known to say, "It's all about what's right for the kids." This motto represents one of Darrell's guiding principles and has served as words of advice for the many educators, administrators, and school personnel who Darrell has mentored over the years. Darrell will leave a lasting legacy within the Andes Central School District and in the lives of countless young people. On the occasion of his retirement, I congratulate and thank Darrell for his service to his community and selfless dedication to students in South Dakota. I wish him, his wife Diane, and their family a happy and healthy retirement.●
